

Punj Lloyd bags Rs 242 cr ONGC contract

Punj Lloyd (PLL) has secured Uran-Trombay Gas Pipeline (UTG) project on an EPC basis from Oil and Natural Gas Corporation (ONGC). The contract has been bagged in consortium with its wholly owned subsidiary PT Punj Lloyd Indonesia. The total value of the contract is Rs 242 crore. The works involve engineering, procurement, construction and commissioning of 24 km submarine pipeline from Uran to Trombay in Maharashtra. The project is likely to be completed in 15 months.
